

CLUB CARS (to be followed by Editorial 'staff' as well as providers)

To be featured within the pages of **Total Car Magazines** (*Total Impreza, Total Evolution or Total Nissan*), the Editor requests that concise details of 'CLUB CARS' be provided.

We have changed this to ease the process for the owners wishing to submit his or her car for inclusion. **Instead of preparing an essay piece of 500 words we now require you to simply answer the questions below!** This change allows us to create a more 'uniform' look for club cars as well as leaving the option for a full feature open to particularly feature worthy cars in future.

Please also note the **attachments** required at the end of this small questionnaire
